

College Dates 2016-2017

Wyke College holds open events throughout the year and they are a good opportunity to meet subject teachers, explore the university style campus and chat to some of our current students.

All academic areas are represented at our **Open Evenings** and they are excellent for gaining an insight to all the subjects offered at the college. You will also have the opportunity to ask advice and guidance on the application process and apply on the evening.

- Thursday 20 October 5:30pm-8pm
- Thursday 10 November 5:30pm-8pm
- Thursday 12 January 5:30pm-8pm

Information Mornings are informal events, based upon small groups of visitors touring the campus with a member of Wyke staff. Wyke students may also be available to provide an insight on college life from a student's perspective. Advice on the application process is available, but not all subjects are represented with academic staff from that subject. The event provides a perfect opportunity for another look around the campus, to confirm subject choice and entry requirements or to make an application.

- Saturday 3rd December 9am-12pm
 - Saturday 4th March 9am-12pm
-

Selby College holds drop in events, you do not need to book. The open events give opportunities for students to look round the college, see the facilities, speak to students and college tutors.

Monday 10 October 2016, 5:30-7:30pm

Saturday 15 October 2016, 9:30-12:00pm

Monday 17 October 2016, 5:30-7:30pm

Saturday 4 February 2017, 9:30-12:00pm

Monday 3 April 2017, 5:30-7:30pm

Thursday 13 October 2015, 5:30pm - 8.00pm

Our main open evening takes place every year in October. All subject areas will be represented at this Open Evening which offers a good insight into the full range of subjects offered at our sixth form.

This event will give you a great opportunity to come and have a look around our sixth form centre, meet department staff and chat with our current students about sixth form life in general and the subjects they are studying. Talks also take place throughout the evening so you understand the admissions process and know about all the fantastic opportunities on offer at our sixth form and how this will help you to succeed and achieve your full potential.
