Dear Parent/Carer

I am writing to offer help in supporting your son/daughter in their upcoming History GCSE exam on the morning of Monday 6 June and Tuesday 14 June. Students will need to revise both Medicine Through Time and The American West topics. The final exams will be worth 75% of students' final grade - as such revision is essential.

During the half term holiday on the Friday 3 June there will be a revision session at school in preparation for the exam. This session will run from 10.00am-12.30pm and will cover Medicine Through Time and The American West. Students will need to return the slip below if they wish to attend.

To support students they have been provided a revision guide, which will need to be returned after the examinations. I have included some websites that can also be used to help revision. Students should also refer to their exercise books, assessment books and revision materials created in class. This letter is also available on the school website to give easier access web links.

### Useful revision websites

**BBC Bitesize**-includes videos, information and short answer tests

**School History.co.uk**-includes revision mindmaps, games and weblinks

Thank you in advance for your support.

Yours sincerely
