

Howden School Homework Project

Year 7

Geography - Autumn Term 2nd half

Start	Hand in Date
Week beginning	Week beginning 4/11/2013

<p>WALT:</p> <p>To investigate a mysterious place.</p>	<p>WILF:</p> <p>L3 To select information about a mysterious place L4 To describe the mysterious place L5 To explain how we think the mysterious place was form L6 To give different opinions about how the mysterious place was formed or about how it should be used</p>
---	---

<p>TASK:</p> <p>You are to produce a report with writing, pictures and maybe a map about a mysterious place. We have studied a number of mysterious places in class so the more imaginative projects will be about other places not studied in class. Your report should include:</p> <ol style="list-style-type: none"> 1) Name and Locate your mysterious place(maybe using a map) 2) Describe what it looks like 3) Explain why it is mysterious or what is mysterious about it 4) Explain the answer to the mystery (e.g. how it was formed) 5) Give an alternative view, either about how it was formed or how it should be used

<p>How to organise your time:</p> <p>This project is designed to take 4 weeks. You will need to conduct some research so make sure you allow time when you can access the internet.</p>
--

Week beginning	Day	Task	How long to spend
		Choose your mysterious place and collect information	20 mins
		Describe and locate your mysterious place	20 mins
		Explain the answer to the mystery e.g. how it was formed	20 mins
		Explore different opinions e.g. about the answer to the mystery	20 mins
