

Howden School Homework Project

Year 7

Geography -Spring Term 2nd half

Start	Hand in Date
Week beginning 24/02/2014	Week beginning

WALT: To investigate an animal this is endangered.	WILF: All: To describe the animal and it's habitat Most: To explain why it is endangered Some: To suggest some solutions to help save this animal
--	---

<p>TASK: You are to produce a short PowerPoint about an endangered animal of your own choice. You should have a slide on each of the following:</p> <ol style="list-style-type: none"> 1) Describe you animal and its status (e.g. critically endangered) 2) Describe its location and habitat 3) Explain the reasons why it is endangered 4) Explain some actions being taken or that could be taken to help save your animal

<p>How to organise your time: This project is designed to take 3 weeks. You will need to conduct some research so make sure you allow time when you can access the internet.</p>

Week beginning	Day	Task	How long to spend
		Chose your animal using the web sites suggested	20 mins
		Start your PowerPoint by describing the animal	20 mins
		Research the reasons why it is endangered and any actions being taken to help save it	20 mins
		Complete PowerPoint	20 mins
