The future

DILIGENCE, LEARNING AND CONCORD

HOWDEN SCHOOL

So what is happening?

This year Howden School intends to join with other schools to form what is called a **Multi Academy Trust** or MAT.

We are seeking to join a number of local schools

HOWDEN SCHOOL

Why make the change?

1. The ability to retain **control of our own destiny** as a school and the **ability to make our own decisions** and shape our own future
2. **Improve standards in the school without support from the Local Authority** for a School Improvement Service
3. We provide **services in the school that the Local Authority used to provide but which they can no longer** maintain at the quality required
4. **Our desire to ensure that our ethos (Team Howden)** remains and strengthens
