5 February 2016

Dear Parents/Carers

We are currently supporting the NSPCC Number Day fundraising initiative in school. As part of this, we will be holding a 'wear something with a number on it' non-uniform day on Friday 12 February 2016, with proceeds raised donated to the NSPCC. As suggested, students are welcome to wear non-uniform clothes on that day, as long as at least one item of clothing has a number on it. Students are asked to make a £1 contribution during morning registration time.

A number of students have also kindly volunteered to make and sell a variety of buns to help support the charity. More are always welcome and if you can donate any buns please can they be brought into reception on Friday morning, 12 February. These will be on sale in school during morning break.

Students are reminded that if they have a technology lesson on that day they will need to bring normal footwear to wear during their lesson.

Many thanks in anticipation of your support with this. We are looking forward to an enjoyable and worthwhile day.

Yours sincerely

Mr I Russell
Subject Leader of Mathematics
